Spalding

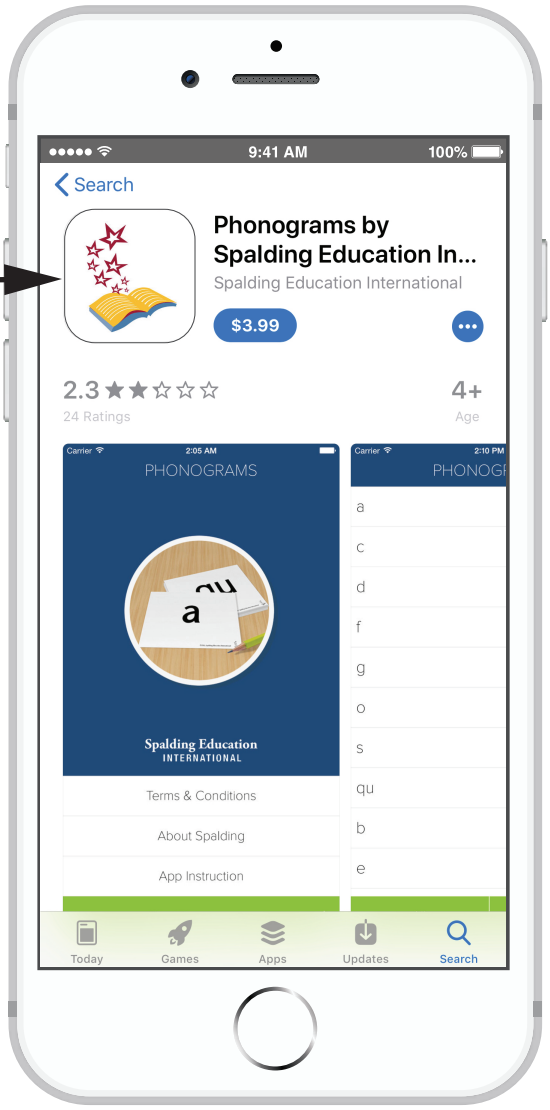
Learning Spalding Phonograms with the App

Setup:

Download the Spalding Phonograms App on to your mobile device.

Search “phonograms spalding”.

Be sure the App has this logo.



Directions:

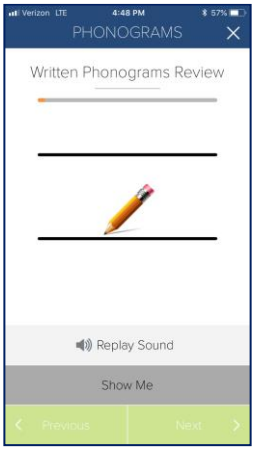
1. Click Start Phonograms, Lesson 1-26, Phonogram Introduction
2. Review phonograms by repeating the sounds
   - Focus on precise pronunciation
   - Do not drag out sounds or add vowel sounds to the end of consonants
3. Once familiar with sounds, advance to Oral Phonogram Review
4. Repeat steps 1-3 for Lessons: 27-45, 46-58, and 59-70.
5. To practice the phonograms that are causing you difficulty, click Differentiated Practice and select those difficult phonograms.
   - Review using Oral Phonogram Review

Written Phonogram Review with the App

Take out practice paper and a pencil. Using the app, review phonograms by writing them.

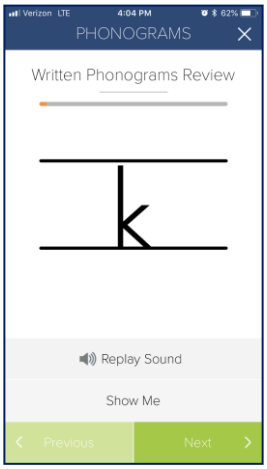
Steps:

1. Click “Start Phonograms”
2. Select a lesson (set of phonograms) to practice
3. Choose “Written Phonogram Review” and select “Go”



4. Listen to phonogram sound(s) and repeat.
   *Be sure phone volume is not muted or too low to hear the sounds.

5. Listen for cue, if needed.
6. Write the phonogram on your practice paper.
   *Be sure to sound just before you write.



7. Click “Show Me” to check your work.
   *If incorrect, cross out phonogram and write the correct phonogram next to it.

8. Click “Next” to repeat the process with next phonogram.
